

Summer 2009 icamp™ concise information page

icamp™ is a play-based technology camp comprised of **LEGO Engineering & Robotics, Digital Art, Animation and Video Game Design** for kids 7-14yo.

This year's special theme is "**Planet Protector**". It touches on the issue of global warming, its causes and what roles or actions we can take to protect planet Earth. The kids are encouraged to be creative in their Earth saving efforts.

It runs weekly for **FIVE DAYS (2.5 hrs/day)** from **Monday to Friday** during the summer holiday (June-August 2009).

Two sessions are available every week: **MORNING (9.30am - 12pm)** or/and **AFTERNOON (2 - 4.30pm)**.

Combo packages are also available this holiday. It runs for 3 weeks (15 days) or 2 weeks (10 days), instead of the usual 1 week, at a discounted price.

Schedules
